**First and foremost—congratulations on your upcoming wedding!**

This is such a meaningful and exciting time in your life, and I'm truly honored that you're considering Saray Barbosa Artistry to be part of your celebration. There is nothing I love more than helping brides feel confident, radiant, and unapologetically themselves on one of the most unforgettable days of their lives.

At Saray Barbosa Artistry, every moment is intentional and every detail is curated with care. I've built this experience to feel luxurious, personal, and entirely stress free because you deserve more than just makeup. You deserve a beauty experience designed around you.

To give each of my brides the highest level of care, I take on a limited number of weddings per month and work exclusively with **One Bride per day**. This ensures your wedding morning feels calm, unhurried, and centered entirely on you.

Inside this Bridal Investment Guide, you'll find everything you need to know about working with me, from services and offerings, to timelines and what's included in your customized beauty experience.

If you have any questions along the way or just feel like chatting, I'm only a message away!

I'd be absolutely thrilled to hear all about your love story, your vision, and how we can bring the glam magic to life, together. ✨

With love and beauty,

## Amber

Saray did my bridesmaids and I's makeup for my wedding. She was INCREDIBLE! She paid so much attention to detail and made us all feel like a million bucks! I did a few makeup trials with all the make up artists before I met Saray. I found a flaw in all of them. When she did my make up, I had nothing to dislike. I felt beautiful and like a bride. I'm so happy that I chose her to be a part of my special day. Not only did she do amazing work, but she was so friendly. It was as if I have known her my whole life. She chatted with the girls and fit right in. If you're looking for someone truly special, she's your girl!

## Yailem

I'm honestly speechless—Saray made me feel like an absolute star ✨ She worked her magic and balanced my features so beautifully. I seriously loved the way I looked! And the best part? My makeup and hair stayed flawless all night long. She's the real deal!

## Maggie

Amazing! Saray went above and beyond to ensure everything was perfect!
